

# Workshops

## Spring Semester 2023

Sustainable. Together.

**Wed, 8th March, 7:00pm-8:30pm**  
Location: Online

### How to Fund Your Sustainability Project Idea

Join this workshop to find out about the funding programme U Change that can help finance your sustainability project! Funded student projects receive up to CHF 10,000.

**Mar, 28 Mars, 18:00-20:30**  
Lieu: EPFL, Lausanne

### Collaboration Saine Dans Les Associations Étudiantes

Inscris-toi à cette formation pour en apprendre davantage sur les outils qui te permettront d'anticiper et gérer les conflits dans ton association étudiante.

**Fri, 28th April**  
Location: UNI/PH, Lucerne

### Focus Sustainability at Sustainable University Day

Join this workshop to elaborate how students across Switzerland can get the best possible support to engage meaningfully with sustainability.

**Tue, 9th May, 6:15pm-8:15pm**  
Location: Online

### How to Address Social Sustainability Challenges

Join this workshop to get further knowledge on the Sustainable Development Goals (SDGs). Also, you will learn how to apply the SDGs to projects and ideas within the social dimension of sustainability.

Focus Sustainability is the national centre for student engagement with sustainability; founded by the student federations VSN | FDD | FSS and VSS | UNES | USU. The vision of Focus Sustainability is that all students in Switzerland are inspired and empowered to make a long-term commitment to sustainability. Students and higher education institutions should work

together with social actors to drive transformation towards sustainable higher education institutions and society.
